Dear Grand Masters, Masters, Instructors and Students,

We are very pleased to invite you to the **International Harmony Course to be held in Italy.**

The purpose of the ITF Harmony Program is to encourage those at an elder age to get involved in our Taekwon-Do ITF activity that will help them keep fit, both in mind and in body. On average over 32% of our population is in the age demographics of 50 to 84. This demographic will only continue to grow as the World's population continues to age.

The course is open to 2nd kup to 9th degree interested to learn more about how to teach and officiate with elder persons.

The International Harmony Course (IHC) #11 will be held in Buccinasco, Milan, Italy on October 13-14, 2018.

The IHC is sanctioned by the International Taekwon-Do Federation, the Italian Taekwon-Do Federation (FITAE- ITF), and hosted by GM Wim Bos and Master Orlando Saccomanno.

Training will be held at Palestra Scuola Elementare Mascherpa
Address: Via Fratelli Mascherpa, 14
City: Buccinasco, Milan
Country: Italy

Mr. Gastón Casero, VI Degree from Argentina, and Chairperson of the International Taekwon-Do Federation Harmony Committee, will conduct this course.

We would love to have everyone to take part in this great event and look forward to a massive participation.

Take some time before or after the IHC to enjoy Milan, Verona, Venice and other beautiful cities to explore.

Applications and payments for the Course and Banquet must be received by **September 25th, 2018**

Yours in Taekwon-Do,

GM Wim Bos
