II Pre-Junior, XVII Junior and XXIII
World Championships in Taekwon-Do ITF

INTRODUCTION AND TOURIST INFORMATION

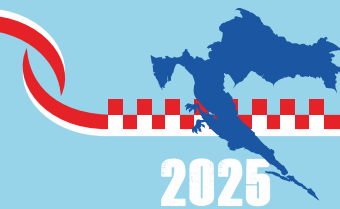

The City of Poreč, located on the western coast of the Istrian peninsula in Istria County, Croatia, is also known as a city with a thousand-year history. Its major landmark is the 6th-century Euphrasian Basilica, considered a true architectural treasure and a UNESCO-protected site since 1998.

The wider Poreč area has a population of approximately 16.700 inhabitants, and its municipal area covers 142 square kilometres with a 37-kilometre-long shoreline. Mediterranean surroundings, a gentle climate, fertile land, and lush vegetation, have made Poreč a unique and one of the most visited tourist destinations in Croatia.

Moreover, years of experience in competitions and tournaments, coupled with constant investment in equipping sports facilities, have resulted in Poreč being granted the title “City of Sports”.

Bestowed with natural beauty, clean air, and sea whose quality has been regularly measured and monitored, our new host city promises cordial hospitality.
